BENEFITS OF A BUS WARRANTY

Given the uncertainty in today's economic climate you should protect yourself now more than ever. Below are some of the more sought after benefits that carrying a bus protection plan has to offer.

PROTECTION FROM THE UNEXPECTED
Repair costs can wreak havoc on a bus owners bank account. We offer "plan ahead" protection to prevent unforeseen financial despair that is inherent with breakdowns.

NEW BUSES QUALIFY
New Bus Plans protect any bus with at least 6 months of the original manufacturer's warranty remaining on them for an ADDITIONAL 3 to 5 years.

MOST USED BUSES QUALIFY
If your bus is less than 8 years old then it qualifies for 1 to 3 years of warranty coverage.

LONG-TERM PROTECTION
We know customers are keeping their units on the road longer these days and that's why we offer industry leading, long-term protection plans for new and used commercial and school buses.

SUPERIOR CUSTOMER SERVICE THROUGH-AND-THROUGH
World-Class, white glove customer service throughout the entire process. We make it personal! Every time you call you get a knowledgeable representative on the phone to help answer any questions you might have. No answering machines here.

FUTURE PROOF YOUR FINANCES
The price to protect yourself today for 10 years hedges against inflation and saves you money in the long run. Pay today's rates for the life of your contract on all covered repairs.

EXTENSIVE COVERAGE
Proudly offering the most extensive warranty coverage on the market. We offer more covered parts, more features, higher limits-of-liability and peace of mind comes standard with every plan.

EVEN MORE BENEFITS
Every bus warranty protection plan comes standard with towing and roadside assistance, want more?? All Bus Master Warranty plans are transferable giving the added benefit of increased resale value should you decide to sell your bus.
